TONI&GUY Our Story

In 2010, **TONI&GUY** celebrated our 25th anniversary in the United States, with 53 salons, fifteen basic cosmetology hairdressing academies, and two advanced training hairdressing academies.

For over 45 years, Bruno Mascolo and his brothers Toni, Guy and Anthony have built the TONI&GUY name into a powerful brand with recognition and presence throughout the world. TONI&GUY culture combines the allure of high fashion with hairdressing, adapting couture styles to the individual tastes and preferences of each client. More than just classrooms and techniques, the sleek design and progressive curriculum of TONI&GUY academy immerses students in a unique environment and provides an exceptional learning experience.

Combining our distinct approaches to hairdressing and education, TONI&GUY has established learning facilities that produce talented and well-trained hairdressers and color technicians for salons across North America. Our academies bring the quality and consistency to hairdressing education that makes TONI&GUY legendary in the salon industry. We also offer world-class continuing education to instructors, as well as advanced training to licensed hairdressers and technicians.

Facility

TONI&GUY HAIRDRESSING ACADEMY Bellingham opened its doors in August 2008, under Beautiworks 1LLC, as a franchise of **TONI&GUY** Hairdressing at its present location. Currently the **TONI&GUY Hairdressing Academy** is running monthly enrollments for the Cosmetology program. Since opening in 2008, the school has maintained an enrollment between 40-90 students. The school adopted the world renowned TONI&GUY education. It is located in one of the most desirable and fastest growing areas in the country. As a growing community, Bellingham is surrounded by the Cascades and Puget Sound with Seattle less than two hours away.

In September of 2009, the **TONI&GUY Hairdressing Academy** Bellingham, WA was purchased by Chandler Salon Bellingham, LLC as a Branch Campus of the Main Campus, **TONI&GUY Hairdressing Academy** Colorado Springs, CO. It was at this time that our Academy became accredited by ACCSC. In 2010, the Academy underwent minor construction to accommodate our growing student body.

Sandra Chandler, owner, director, and visionary, is one of the leaders in the hairdressing industry. Success has been synonymous with Sandy since she first entered the hair industry more than 40 years ago. Sandy has played a pivotal role as a stylist, salon owner, school owner, and business manager. In addition to the two Academics, she currently operates two **TONI&GUY** salons in Colorado Springs. Under her direction and innovative curriculum, many students have caught the eyes of leaders in the industry. Sandy is dedicated to the **TONI&GUY** philosophy and the same vision and mission that Bruno Mascolo embraces. Sandy and her support staff focus on the student and strive to provide the highest quality of education possible. She believes that personalized service and commitment play an integral part in creating a life long relationship between **TONI&GUY** and the student.

TONI&GUY HAIRDRESSING ACADEMY Bellingham will give the students the opportunity to receive their cosmetology instruction in a beautiful 11,000 square facility in the heart of Bellingham, Washington, which is one of the most desirable areas in the state of Washington. Located along of the coast of Washington State just 23 miles south of the Canadian border, and 90 miles north of Seattle, Bellingham was rated the No. 2 "Best Place to Live" behind Gainesville, Florida by the Oregon-Based Fast Forward Inc.

The facility is divided into several different areas. When walking in the front door you are greeted by our receptionist and will immediately be drawn to our expansive retail center. Within this area is also a comfortable lounge area for clients and guests. As you walk through the open air hall straight ahead, you'll find yourself in the clinic floor area which features three learning areas all equipped with mobile stations for each student to have a place to store their styling tools and equipment.

The clinic floor visually resembles a salon in its accessibility and accommodations for both students and clinic floor clients. There are two dispensaries for shampoos, conditioners, styling products, hair colors and developers. There is a student break room equipped with a refrigerator, microwave and coffee maker. Restrooms are ADA compliant and are available for students, faculty, staff, clinic floor clients and guests.

The classrooms are used to conduct theory every Tuesday through Friday from 8:30 AM to 9:30 AM. The first two months of the basic program are held in two separate classrooms which each contain plasma TV monitors to view educational videos for the ultimate educational experience.

The school is owned by Chandler Salon Bellingham LLC. The officers of the school and members of the governing board are Sandra Chandler, Owner/Manager of Chandler Salon Bellingham LLC; Robert Chandler, Owner/Manager of Chandler Salon Bellingham LLC.

PLACEMENT ASSISTANCE

Although **TONI&GUY Hairdressing Academy** considers the success of its programs as they relate to the individual student, we do not guarantee employment. However, as part of preparing students for the professional world, the following services are available to individual students.

As a requirement of the Salon Ready class, the student is instructed on how to create a portfolio featuring photos of work performed during the course of their enrollment. In addition, each student is instructed and required to create a cover letter and resume to assist in gaining employment. One-on-one interviews are conducted with academy instructors with constructive criticism given to the student to help strengthen their interviewing skills. The opportunity is given to the student to present their portfolios and resumes to salon owners during the course. The employment opportunities book is updated monthly and is kept in the student lounge.

TONI&GUY will offer employment assistance to graduates who seek employment. **TONI&GUY** does not guarantee employment.

HUMAN RESOURCES

The **TONI&GUY Hairdressing Academy** offers human resource assistance. Please see the Director if you have questions or concerns pertaining to human resources. In addition, next to the student computers, a Human Resource book is made available to all students and lists resources such as childcare, health assistance, transportation assistance, etc.

GRADING POLICY

Grades are given for written exams, practical applications and haircut test outs. Below are the percentages applied for grading:

A = 4.0 = 100% - 94%

Excellent mastery of course content and excellent ability to apply course content concepts. The work displays initiative, independence and application. In some courses, originality may be required.

B = 3.0 = 93% - 87%

Good mastery of course content and an ability to apply course content concepts. Work reflects a thorough understanding of the application, inter-relatedness and use of the material covered.

C = 2.0 = 86% - 80%

Basic understanding and knowledge of course concepts.

FAILING = 79% and Below

Unsatisfactory progress using the principles within the course content.

*Students are given progress reports each month listing all tests, grades and attendance.

INCOMPLETE

A grade of Incomplete (I) will be assigned when an excused illness, emergency or unusual circumstances beyond the student's control prevent the student from completing the assigned semester work and or examination(s) prior to the end of their program. A student will be given the opportunity to remove the grade of "I" if the assignment is missed. It is the students' responsibility to see all semester work has been completed and made up. Students should record their test scores in their personal notebook.

MAKE-UP WORK

A student who has missed tests for any reason other than an excused illness, emergency or unusual circumstance beyond the student's control will not be permitted to make up the work and a test grade of 0 will be given.

RECORDS

All student records will be maintained by Administration. Only Administration may have access to these files. If a student wishes to review his/her file, they may do so in the presence of the Management Staff member or Director. If the student is a dependent minor, the parents or legal guardian may have access to the student's file. In this event, the Director will assist the parent while interpreting the contents of the file.

CONFIDENTIALITY POLICY

As the contract for every student is made solely between the student and **TONI&GUY Hairdressing Academy**, the information and details of the transaction are not to be shared with other parties. Additionally, any and all student advisement or conversations between the administration and a student are confidential and private. Students are not to discuss their contracts or interaction with other parties.

ATTENDANCE POLICY

TARDINESS

A student is required to clock in at the beginning of each day by 8:15 a.m. or they are considered tardy. If a student does not check in using the time clock, they will not be credited the hours. Theory is held each morning, Tuesday through Friday, from 8:30 a.m. until 9:30 a.m. Attending theory is a state requirement. Should a life circumstance cause you to be tardy, it is mandatory that you contact the Academy Director or leave a message on voice mail before 8:30 a.m. If a student is tardy more than 2 times within a month, corrective action will be taken. Being tardy on a regular basis reflects a lack of commitment to the program and will be addressed accordingly by implementation of the "Levels of Corrective Action" as defined below.

ABSENTEEISM

The student's attendance is vital to their success in the Cosmetology program. **TONI&GUY** promotes regular attendance and punctuality because it will help students develop good habits required for successful careers. Students must attend a minimum of 85% of the cumulative scheduled hours to maintain satisfactory progress and complete the course within the time allowed. If a student falls below 85 percent attendance in a one month period, the student will be placed on attendance probation. If a student while on attendance probation, is absent for one unexcused day, the student will be placed on in-house suspension. The student will be terminated if absent for 14 consecutive days. Should a life circumstance cause you to be absent, it is mandatory that you contact the Academy Director.

TIME CLOCK POLICY

A student is required to use the time clock to record student hours for the day. A student will not be credited if they do not clock in and out appropriately. **TONI&GUY Hairdressing Academy** will not make adjustments to the time clock for any student. Please remember it is your responsibility to clock at the appropriate times including clocking in and out for the day and clocking in and out for lunch. If a student clocks for another student, both students will be subject to termination.

LEAVE OF ABSENCE

A documented leave of absence may be for a maximum of sixty days (60). In compliance with Section 5, a refund must be made within thirty days (30) after the student has dropped. If a student fails to return from a leave of absence, the student is considered to have withdrawn from school as of the first day of the leave of absence. The school has thirty days (30) after the last day of an approved, documented leave of absence to calculate and return the refund. Any approved Leave of Absence will alter the anticipated graduation date to reflect the duration of the Leave of Absence.

If a student fails to return on their scheduled return date, the student will be considered to have withdrawn from the school as of the first day of the LOA. The school has thirty days after the last day of an approved, documented leave of absence to calculate and return any funds due.

WARNING: If you fail to return to school on your scheduled return date, your grace period for your financial aid loan payments will start retroactively from the day the LOA began, and repayment will begin sooner than expected.

In rare cases of an emergency that would prevent a student from providing a prior written request, the information may be phoned in and documented by the Academy Director. However, the student is required to come in to complete, sign, and date the LOA form as soon as possible but no later than 30 days after the initial phone request. If a student fails to complete the LOA form within the required 30 days, the student will be withdrawn from the program and as stated previously, the grace period for loan payments will start retroactively on the day the LOA began and repayment will begin sooner than expected.

A documented leave of absence may be granted for a maximum of sixty days and will not involve any additional charges by the school.

MINIMUM ATTENDANCE REQUIREMENTS

TONI&GUY Hairdressing Academy is required to develop and apply consistent and reasonable standards of satisfactory attendance progress for all students. All students are required to maintain an 85% attendance rate on a continuous and monthly basis. Student attendance standards are monitored and reported to the student on a monthly basis. If a student's attendance progress does not meet the required standards of 85%, the policy for Levels of Corrective Action will be followed, and without improvement may lead to termination. The student's maximum time frame to complete the course shall not exceed 1.5 times/70.5 weeks the normal duration of the program. Upon completion of the program, the student must have attended a minimum of 94% to avoid exceeding the Enrollment Contract end date.

SATISFACTORY ACADEMIC PROGRESS POLICY

A cumulative grade average of 80% or higher is maintained at each level of training to graduate from **TONI&GUY Hairdressing Academy**. Academic requirements constitute that if a student does not successfully maintain an 80% average throughout the course, the student will be placed on probation.

TONI&GUY Hairdressing Academy is required to develop and apply consistent and reasonable standards of satisfactory academic progress (SAP) for all students, especially students receiving federal financial aid to continue to receive financial aid. Should a student receiving financial aid fall below SAP at a given evaluation period, they will be eligible to receive Title IV funding for that payment period. If the student does not achieve SAP on a second, consecutive probation, the student will be determined as not making satisfactory progress. All students must meet the requirements of SAP. To determine SAP, a progress report is done after the student reaches 450 hours, 900 hours and 1250 hours. Students are advised of their academic and attendance status via a progress report which will be issued by the Academy monthly.

MINIMUM SAP REQUIREMENTS

Cumulative Grade Point Average (CGPA):

Successfully maintain a CGPA of 80% or above.

Successfully maintain a cumulative attendance percentage of 85% or more.

CONSEQUENCES FOR FAILING TO MEET THE ABOVE STANDARDS

PROBATION: If a student does not meet the CGPA requirements at the end of each 13 week/450 hour academic year, the student will be placed on Financial Aid probation. The student will not receive Pell or Direct Loan disbursements while on probation. Once the student reaches 80% CGPA and completes test/project requirements, the student will be eligible to receive Financial Aid disbursements.

Appeal Procedures: A student who has been placed on financial aid probation may file an appeal if they have extenuating circumstances. The appeal must be made in writing within 10 working days of the notification and must include:

1. A letter of explanation.
2. Third party documentation supporting the reason for your appeal

The Director will review the documentation and students will receive written notification of the result of their appeal within 5 days from submission of their documentation. If the appeal is granted, the student will be able to receive aid for the time period specified in the notification, which may not exceed 15 weeks. However, for financial aid eligibility to continue, students must meet the minimum CGPA requirements by the end of the time period specified in the notification. All results are FINAL.

LEVELS OF CORRECTIVE ACTION

A student may be advised by the Academy Director regarding attendance, academic grades or conduct by any of the following actions:

VERBAL WARNING: A student will be verbally informed of the violation he/she committed. The violation will be discussed and discontinuance will be required. The student will be briefed about further repercussions should the behavior be continued.

PROBATION: A written warning may be given prior to a suspension and/or an action-based termination by the student. The student chooses the action which he/she will take. He/she will either correct the action or be terminated from the program. Additionally, an in-school suspension may be chosen as part of the corrective action.

SUSPENSION: An immediate withdrawal of the student from a **TONI&GUY** Hairdressing Academy or an in-house suspension may be assigned based upon poor performance standards or violations of policies. In-house suspension may include tasks issued by the Director. An out-of-school suspension may be for a period of time not less than one (1) day but no longer than two (2) years.

TERMINATION:

Termination of a student is defined as no longer clocking hours, whether by student's voluntary withdrawal or dismissal by the school for disciplinary action.

A student may be considered terminated under the following conditions:

1. A student in non-attendance and has not notified the school, verbally or in writing of their intent to drop, shall be terminated from their program fourteen (14) calendar days after the last day of physical attendance.
2. Possession or obvious use of drugs and/or alcohol during school hours.
3. Refusal to provide assigned client services.
4. Disruptive behavior and refusal to perform assigned tasks. TONI&GUY Hairdressing Academy reserves the right to be the sole judge of what behavior may be detrimental to the school.
5. Theft from the school, a client, a member of the faculty or a fellow student.
6. Clocking in or out for another student.
7. Non-payment of tuition according to the tuition schedule in the Enrollment Agreement.
8. Unsatisfactory attendance.
9. Failure to maintain an 80% average grade, encompassing both written exams and practical applications.
10. Misrepresentation of personal information on contracts or documents.
11. Violation of school policies, as listed in the catalogue.
12. Non-completion of the program within 1.5 times/70.5 weeks the maximum time frame of the program.

A student who has been terminated at the discretion of the school may appeal the termination. The appeal must be made in writing and will be reviewed by the Director. A decision regarding an appeal will be given within five working days from receipt of written appeal.

READMISSION

Students who have left **TONI&GUY** in good standing and want to return should make their intent known to the Academy Director. The student will need to sign a new contract and pay the registration fee to be re-enrolled. Please note due to enrollment capping, students granted re-entry status may be denied immediate re-entry in the specific start date requested and may have to wait until space is available in a later start date.

Students who want to return to the Academy after being terminated for academic or disciplinary reasons must apply for readmission through the Academy Director. The decision on re-entry for students not in good academic standing ultimately lies with the Director. Students granted re-entry status who were on

probation or suspension or other conditional status at the time of their last attendance retain such status as a condition of their re-entry.

WITHDRAWAL

To officially withdraw from **TONI&GUY** Hairdressing Academy the student must initiate the withdrawal process with the Academy Director in writing no later than 14 business days after actual physical attendance. The tuition refund policy will apply to withdrawn students.

FINANCIAL AID

At **TONI&GUY** Hairdressing Academy we believe every student should be able to obtain an education, regardless of financial status. To make this possible, our Financial Aid Office assists students in finding sources of financial aid. Financial Aid is available to those who qualify. In order to have funds available before school starts, students are encouraged to begin the application process three months prior to the class starting date. Students must complete the Free Application for Federal Student Aid (FAFSA) to be considered for grants or student loans. For further information contact the Financial Aid Office.

Financial Aid Basics - Prospective students

Please note:

- Start the process early. Even if you haven't received your admissions decision, you can still apply for financial aid.
- If you have extenuating circumstances, complete the FAFSA as instructed and send us a statement detailing your situation.

Quick steps to financial aid

- 1.) Complete the FAFSA. All admitted students who have submitted a FAFSA will receive an Award Letter outlining their estimated financial aid.
- 2.) We'll contact you if additional documents are required.
- 3.) After you've been admitted and we have all your documents, we'll send you an *Award Letter* so you can review your financial aid award against your projected costs and determine how much you will need to accept.
- 4.) Be informed! You have to make satisfactory academic progress to retain your eligibility for financial aid. Withdrawing or changing your enrollment can affect your aid. You should budget yourself wisely and avoid too much debt. You'll have to repay those student loans. Read the section below so you don't run into any surprises as you successfully navigate your way to your degree.

Note: If you're unable to complete your FAFSA online, we can provide you with a paper copy to mail. Please note that this will delay the process.

APPLYING FOR FINANCIAL AID

The most important step in applying for financial aid at the Academy is to submit the Free Application for Federal Student Aid (FAFSA), each academic year, as soon as possible. The FAFSA assesses your eligibility for grants and loans. Complete your FAFSA online at fafsa.ed.gov. Use our school code 036703 on your FAFSA. We are listed under our Main Campus in Colorado Springs, CO.

ELIGIBILITY AND AWARDS

Virtually all families are eligible for some form of financial aid, therefore it is in your best interest to apply. Your eligibility for financial aid is based on the following formula:

$$\begin{aligned} & \text{Cost of Attendance} \\ & - \text{Expected Family Contribution (FAFSA results)} \\ & = \text{Financial Need} \end{aligned}$$

The financial aid office determines your cost of attendance based on a survey of regional and local costs.

Your "expected family contribution" (EFC) is determined by the federal government through an analysis of the information reported on your FAFSA. The lower your EFC, the greater the financial need, thus increasing your financial eligibility.

If you have unusual financial circumstances affecting your ability to pay for school that are not reflected in your FAFSA, contact the financial aid office for information concerning professional judgment appeals. Special circumstances include, but are not limited to, bankruptcy, drop in income from the previous year, or unusual medical expenses.

TYPES OF AVAILABLE AID

Financial aid is funded from a variety of sources such as federal and state governing agencies, private donors, and institutional resources. See below for the types of aid available.

Grants

Grants do not have to be repaid and are generally need-based.

Loans

Submit the FAFSA to be considered for the following federal loan programs.

- Stafford/Ford Federal Direct Loan - 8.25% interest cap
- Federal PLUS (Parent) Loan - 9% interest cap

Non Federal alternative loans are available to students who are not eligible for federal loans or who need additional assistance beyond their financial aid offer.

Where/When do I Get My Money?

For registered students, financial aid funds are posted to students' bills approximately 30 days after they begin. The federal government requires that we hold Stafford loan funds for first time borrowers for 30 days from the first day of classes. ***Students will receive two-three disbursements during their enrollment. The first disbursement is received during the first Semester, the second disbursement is received at their second review period, and a possible third disbursement may be received during the third semester.***

Adjustments to Aid

Financial aid awards are adjusted to reflect changes to your file including reported income, enrollment status, and additional scholarship funds. A revised *Award Offer* is mailed to you outlining the adjustments.

Return of Title IV Aid When a Student Withdraws (Requirements of 34 CFR 668.22)

The law specifies how your school must determine the amount of Title IV program assistance that you earn if you withdraw from school. The Title IV programs that are covered by this law are: Federal Pell Grants, Stafford Loans, PLUS Loans, Federal Supplemental Educational Opportunity Grants (FSEOGs), Federal Perkins Loans and in some cases, certain state grant aid (LEAP/SLEAP), GEAR UP grants, and SSS grants to students.

When you withdraw during your payment period or period of enrollment (your school can define these for you and tell you which one applies) the amount of Title IV program assistance that you have earned up to that point is determined by a specific formula. If you received (or your school or parent received on

your behalf) less assistance than the amount that you earned, you may be able to receive those additional funds. If you received more assistance than you earned, the excess funds must be returned by the school and/or you.

The amount of assistance that you have earned is determined on a pro rata basis. For example, if you completed 30% of your payment period or period of enrollment, you earn 30% of the assistance you were originally scheduled to receive. Once you have completed more than 60% of the payment period or period of enrollment, you earn all the assistance that you were scheduled to receive for that period.

If you did not receive all of the funds that you earned, you may be due a postwithdrawal disbursement. If the post-withdrawal disbursement includes loan funds, you may choose to decline the loan funds so that you don't incur additional debt. Your school may automatically use all or a portion of your post-withdrawal disbursement (including loan funds, if you accept them) for tuition, fees, and room and board charges (as contracted with the school). For all other school charges, the school needs your permission to use the post-withdrawal disbursement. If you do not give your permission (which some schools ask for when you enroll), you will be offered the funds. However, it may be in your best interest to allow the school to keep the funds to reduce your debt at the school.

There are some Title IV funds that you were scheduled to receive that you cannot *earn* once you withdraw because of other eligibility requirements. For example, if you are a first-time, first-year undergraduate student and you have not completed the first 30 days of your program before you withdraw, you will not earn any FFEL or Direct loan funds that you would have received had you remained enrolled past the 30th day.

If you receive (or your school or parent receive on your behalf) excess Title IV program funds that must be returned, your school must return a portion of the excess equal to the lesser of:

1. your institutional charges multiplied by the unearned percentage of your funds, or the entire amount of excess funds.

The school must return this amount even if it didn't keep this amount of your Title IV program funds.

If your school is not required to return all of the excess funds, you must return the remaining amount. Any loan funds that you must return, you (or your parent for a PLUS Loan) repay in accordance with the terms of the promissory note. That is, you make scheduled payments to the holder of the loan over a period of time.

Any amount of unearned grant funds that you must return is called an *overpayment*. The amount of a grant overpayment that you must repay is half of the unearned amount. You must make arrangements with your school or the Department of Education to return the unearned grant funds.

The requirements for Title IV program funds when you withdraw are separate from any refund policy that your school may have. Therefore, you may still owe funds to the school to cover unpaid institutional charges. Your school may also charge you for any Title IV program funds that the school was required to return. If you don't already know what your school's refund policy is, you can ask your school for a copy. Your school can also provide you with the requirements and procedures for officially withdrawing from school.

If you have questions about your Title IV program funds, you can call the Federal Student Aid Information Center at 1-800-4-FEDAID (1-800-433-3243). TTY users may call 1-800-730-8913. Information is also available on *Student Aid on the Web* at www.studentaid.ed.gov.

Reestablishment of Financial Aid

Students may reestablish their financial aid eligibility by earning an academic standing that meets the minimum criteria.

You do have the right to appeal a Financial Aid suspension if you have extenuating circumstances. To process an appeal follow the steps below:

1. Develop your appeal packet with the following supporting documentation.
 - Be sure your name is on all documents
 - Include a letter stating the reason(s) why progress was not made in the academic year including your goals and other issues that may be affecting your success at TONI&GUY Hairdressing Academy.
 - Include your plan for making satisfactory progress.
 - It is extremely important that you include other documentation to support your statement. Examples: Letters from health providers, copies of medical bills showing health provider visits, any other statements or documentation to support your extenuating circumstance that prevented you from making satisfactory progress.
2. Meet with a staff member to discuss your academic goals.
 - Have the staff member sign a document that you visited with them
3. Return your complete appeal packet to the Financial Aid Office

You will be informed of the decision in writing within a reasonable period of time.

Upon receipt, the complaint will be discussed with the Administrative Staff and a response will be provided within five (5) working days. If the complaint cannot be resolved it will be referred to the school's complaint committee.

The school's complaint committee consists of three members that are selected from the following categories: school owner, director, instructor, financial aid administrator, or member of the public interest. The committee will meet within 21 calendar days of the school receiving the complaint to review the allegations.

If the committee needs more information after reviewing the allegation, a letter will be written outlining the additional information needed. If the additional information is not received by the committee within 15 calendar days, the committee can take any action including dismissal of the complaint.

Complaints which cannot be resolved by direct negotiation between the student and the school, may be filed with the Department of Licensing, Business and Professions Division Cosmetology Section, PO Box 9062, Olympia, WA 98507-9026, 360-664-6626. There is a two year limitation on the division taking action on student complaints.

Schools accredited by the Accrediting Commission of Career Schools and Colleges must have a procedure and operational plan for handling student complaints. If a student does not feel that the school has adequately addressed a complaint or concern, the student may consider contacting the Accrediting Commission. All complaints considered by the Commission must be in written form, with permission from the complainant (s) for the Commission to forward a copy of the complaint to the school for a response. The complainant (s) will be kept informed as to the status of the complaint as well as the final resolution by the Commission. Please direct all inquiries to:
